The Examiner's Election/Restriction Requirement
Under 35 U.S.C. § 121

GROUP 3600

The Examiner states that the present application includes claims to patentably distinct species of the claimed invention, namely: Group 1, Figure 1; Group 2, Figure 3; Group 3, Figure 4; Group 4, Figure 6; Group 5, Figure 8; Group 6, Figure 9; Group 7, Figure 10; Group 8, Figure 12; Group 9, Figure 13; Group 10, Figure 15; Group 11, Figure 16; Group 12, Figure 20; Group 13, Figure 21; Group 14, Figure 22; and Group 15, Figure 23. The Examiner states that the Applicant is required under 35 U.S.C. § 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable.

Applicant is also advised by the Examiner that a reply to the requirement for election must include an identification of the species that is elected, and a listing of all claims readable thereon, including any claims subsequently added.

Applicant hereby elects the species in Group 1, Figure 1, of the claimed invention for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. It is respectfully submitted that the following presently existing claims are readable on the elected species in Group 1, Figure 1: Claim 1, Claims 3-6, Claim 9, Claims 11-14, and Claims 17-19. There are no subsequently added claims.

Applicant understands that the remaining claims, namely Claims 2, 7, 8, 10, 15, 16, and 20, will likely be withdrawn from further consideration by the Examiner as being directed to a non-elected invention.

It is believed that all of the issues raised by the Examiner in the September 6, 2002 Office Action are addressed herein. Based upon the foregoing, Applicant believes that all pending claims are in condition for allowance and such disposition is respectfully requested.

It is further believed that no fees are due for filing this Response.

In the event that a telephone conversation would further prosecution and/or expedite allowance, the Examiner is invited to contact the undersigned attorney at (760) 720-1155.

Respectfully Submitted,

By:
